**Why attend?** Attending Parent School Community Council Meetings (PSCC) is a great way to support your student and school! The purpose of the Pittsburgh Science & Technology Academy PSCC is to provide ongoing communication between the school and parents, guardians and community groups regarding issues that are important to the success of our students.

**When are they?** In order to be inclusive of our families, the PSCC Meetings will **alternate between the 2<sup>nd</sup> Thursday of the month in an evening and the 2<sup>nd</sup> Thursday of the month in a morning.** See next page.

**What are they about?** SciTech staff and administration will assist in delivering the content, which is detailed on the next page. At the end of each meeting there will be district Parent Advisory Council information shared and Q&A with administration.

**Find the dates, times and details of each meeting on the next page!**
